

Md. Miraz Hossain

Dhaka-based journalist and researcher | algorithmic media systems, misinformation, journalism education | miraz8395@gmail.com | linkedin.com/in/miraz-hossain

Profile

Journalist, researcher, and educator working at the intersection of journalism, education, social science, and technology, with a focus on how algorithmic media systems shape truth and public knowledge in South Asia.

Education

BSS, Media Studies and Journalism

University of Liberal Arts Bangladesh - expected 2027

CGPA 3.99/4.00; Dean's List Scholarship, four consecutive semesters; major in Digital Journalism, minor in Computer Science.

BA, English

University of Dhaka - 2023

President, English Department Art and Literary Club, 2022-23.

Experience

Staff Feature Writer - The Business Standard

200+ features on governance, digital rights, technology, education, freedom of expression, and culture; sub-edited 50+ stories; named among TBS Best Profiles.

Staff Correspondent - Netra News

Reported OSINT-heavy investigations on political corruption, governance failure, and military accountability in post-uprising Bangladesh.

Chief Executive / Head of Digital Investigations - ForensIQ, ULAB

Led misinformation audits and verification training; trained 300+ journalists and fact-checkers in OSINT, digital forensics, and evidence-led reporting.

Instructor, Academic English - Centre for Language Studies, ULAB

Taught Academic English across six undergraduate sections over three semesters; focused on academic writing, argument structure, and fossilized error correction.

Freelance Translator and Education Consultant

World Bank registered English-Bangla translation vendor; SOP editing, academic writing support, and UK application advising.

Research and Public Work

- Current proposals: Writing Without Writing; Algorithmic News Feeds and Misinformation Susceptibility.
- Joined FactWatch as Research Assistant, supporting misinformation tracking and rumour-cascade analysis.
- Wrote English interpretive labels for the July Mass Uprising Memorial Museum with Bangladesh's cultural ministry context.
- Panelist on media literacy at German Embassy Dhaka; workshop lead for ForensIQ and High Performance Learning.

Selected Recognition

- U.S. Embassy Dhaka amplified two TBS features; Committee to Protect Journalists cited attack while reporting the July 2024 uprising.
- Dean's List Scholarship, ULAB; TBS Best Profiles; A Better Press Fellowship; SDG Essay Competition recognition.

Methods and Tools

OSINT and verification; interview reporting; mixed-methods research; NLP/text analysis; Python learning track; English-Bangla translation; media literacy training.
